Cirque de Morgue

LOGLINE:

Bart's Big Top Jubilee hired a troupe of clowns for their new traveling show, but little did he know that they were a group of rouge psychopaths wanted for murder.

SYNOPSIS:

Come one, come all! For one night only, Bart's Big Top Jubilee is bringing magic and amazement to your town! Witness fantastical feats, illusions extraordinary, and comedic performances from our new clown troupe that are sure to leave you chortling.

Bart's Big Top Jubilee arrived with promises of thrills and delights -- as well as with a band of psychopaths wanted for murder. Poised as the circus's newest clown troupe, they wait until the Ringmaster appears on the first night of their show to begin their spree of slaughter. You are inside the Big Top when the first screams resonate across the room. Running from tent to tent in an attempt to escape, you see the clowns are not discriminate in their killing – everyone from performers to audience members is a victim.

When the circus is designed to deceive, startle, and surprise, how can you survive against those who helped create it?
